Junior Miss Contract

As being crowned Junior Miss Elkton Fire Chief I understand that I will be expected to attend certain events to represent my title. These events include appearances at the Firemen's Lawn Party, Elkton Field Day parade, Elkton Christmas parade, and other local pageants (if not competing) such as the Rockingham County Fair Pageant. Any time that you are representing your title in public it is expected that you will wear your sash and crown. Anytime that you will be representing your title at events other than those set forth above or lined up by pageant directors you shall notify the pageant directors for approval prior to the event.

As being crowned Junior Miss Elkton Fire Chief I understand that I am representing the Elkton Volunteer Fire Company during my time as reigning queen. This representation is not limited to times when making appearances but encompasses all times. During this time any actions or comments made that are determined not to be of good character as determined by the pageant directors or the Fire Company Board of Directors may result in disciplinary action up to the removal of my title and/or being banned from competing in other age categories. The decision of pageant directors and the Board of Directors will be final. Actions that could lead to disciplinary action include but are not limited to failure to meet expectations set forth above, comments or pictures posted on social media sites (facebook, google+, twitter, instagram, etc..), verbal or physical altercations, drug use (illicit or over the counter abuse), underage drinking, any charges placed against you in a court of law, and unsportsmanlike conduct at other pageants.
